Dear Friends,

*“There is a time for everything, and a season for every activity under heaven:
a time to be born, and a time to die . . .
a time to weep and a time to laugh, a time to mourn and a time to dance . . .
He has made everything beautiful in its time.*

He has also set eternity in the hearts of men; yet they cannot fathom what God has done from beginning to end. . . .

I know that everything God does will endure forever; nothing can be added to it and nothing taken from it.

God does it so that men will revere Him.” From Ecclesiastes 3

As we look forward to celebrating Thanksgiving tomorrow, our minds and spirits are drawn to God’s goodness and provision – at all times and through any circumstances. We are celebrating this Thanksgiving at the bedside of a dear friend and team member who is facing imminent death. Dr. Rick Lange and his wife Irene have faithfully served God in many of the most hostile places on earth for more than 30 years. And they have been a vital part of One Another Ministries since its beginning.

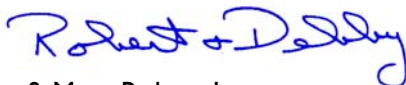

Rick has often repeated a declaration popular with Christians in their adopted African homeland: “God is good, all the time. All the time, God is good.” Please pray with us that Rick and Irene will be very aware of God’s presence and goodness in the days ahead.

It seems that God is throwing open doors of opportunity for our team as never before. We are receiving requests for help from missionaries and mission agencies working throughout Europe, Africa, the middle east, and central Asia. In the last month we have been able to provide training for a group of European Christian workers, and give help to missionaries serving in western Europe, eastern Europe, and Africa.

Thank you for praying that God would send help for our team. We are very pleased to be able to tell you that a new team member has just been approved. We are excited about Twala Andrino’s commitment, experience, and training. And we ask you to join us in asking God to quickly provide her needed support and allow her to begin serving on the field. You can learn more about Twala on our web site listed at the bottom of the page.

Thank you so much for your faithfulness, and for being a part of what God is doing. His work will endure forever and He will be revered by people in all the earth.

Working together for Christ,

Dr. & Mrs. Robert Lugar
