Dear friends

Something I read once about the resurrection:

Anyone can be sentimental about the Nativity. Many *feel* like Christians at Christmas time. But Easter is the main event. If you don't believe in the resurrection, you are not a believer!

How grateful we are for the Blessed Hope and the Resurrection, aren't you? This is why we go....so that the whole world may come to know our Lord.

In the past few weeks, we have learned there has been a real assault on the workers in several "restricted access" countries. Emails arrive daily with detailed prayer requests as spiritual battles escalate, especially in North Africa. Like never before, the body of Christ needs to intercede for our brothers and sisters.

Pray with us for much needed *additional staff and funds* to meet their needs in a timely manner.
